The program is set up and run by Cris Vocke, owner and operator of Cedar Creek & Cedar Farms. Our special Instructors for this year are well known in the area for their golfing successes. They all have played Varsity level High School Golf and some have or will continue their success in the college levels.

All instructors have had great success at the All City, Conference, Region, and State levels, and are looking forward to working with juniors looking to get introduced into the game, or take their game to the next level!
